FUNERAL OF LATE MR. JOHN A. HOGG

The funeral of the late John Hogg took place at the Lihue cemetery from 10 o'clock Friday morning, a large number of relatives and friends of the deceased being present. Rev. J. M. Lydgate officiated and Mr. de Lacey directed the musical features. In his remarks Mr. Lydgate paid a feeling tribute to the late Mr. Hogg as a husband and father, business man and citizen.

The body of the deceased had been taken to Honolulu for the purposes of cremation and the ashes, in custody of Mr. George Hwart, were returned Friday morning.

During the progress of the funeral a shower came on, although not of sufficient severity to stop the services.

CONVENTION AT HANALEI CHURCH

The regular semi-annual convention meeting of the Kauai churches and their allied interests was held at Hanalei on Wednesday and Thursday and was well attended from all parts of the island in spite of hard rains and bad roads. In addition to the usual matters of business there were special addresses as follows: "Seen at the fair," Wm. Hyde Rice; "The Civic Convention," J. S. Kanehuna; "Church officers and their duties," Rev. H. P. Judd; "Is the preacher dying out?" J. M. Lydgate; "Efficiency in church work," Judge L. A. Dickey.

The recently organized Filipino church, for all Kauai, was received into fellowship with appropriate exercises and much satisfaction was expressed over the marked development of this work.

Much satisfaction was also expressed with the hospitable and generous way in which the delegates had been treated.

Koloa Wins Again

In the Japanese baseball league the Koloa and Hanapepe teams met Sunday on the grounds of the former for the first game of the second series. Up to the eighth innings things looked bright for the visitors but the Koloas turned loose toward the last and polished the Hanapepes off to the tune of 5 to 4.

Historical Society

A meeting of the Kauai Historical Society will be held in the Lihue Library at 7:30 next Thursday evening, the main topic being "Kauai and the Early Navigators." Another feature will be an interview by Rev. J. M. Lydgate with Hon. Sanford B. Dole, being reminiscences of Koloa. A side feature will be a paper by Mr. Lydgate on "The Mahalehu Hui."

Smashed Into Fence

A six-cylinder Buick, belonging to the Waimea Stables, left the road at the rise of Eleele hill in Hanapepe Saturday night, smashed into a fence at the left side of the highway and was badly damaged. A piece of timber from the fence ran through the radiator into the engine, doing the principal mischief. The chauffeur was a well known young Portuguese of the district.

ELEELE DANCE A SIGNAL SUCCESS

The dance of the Mailes in Eleele hall Saturday evening was attended by more than a hundred people coming from all towns between Lihue and Kekaha. It was a most delightfully appointed and enjoyable function, and had continuance to an hour long after midnight.

The hall was prettily decorated and brilliantly illuminated for the occasion. A Hawaiian orchestra on the palm-bedecked stage supplied music. Refreshments were served throughout the evening.

The affair was informal, as Eleele functions usually are; and as such was all the more enjoyable. As is usual in that locality there was a preponderance of ladies present, there being at the outset 56 ladies and 48 gentlemen.

SUI WADA DEAD

Mrs. Sui Wada, wife of the truck farmer murdered in Kalia valley on the night of June 16, is dead.

It will be remembered that on the night of the murderous attack Mrs. Wada was struck over the head with an iron bar, the murderers believing they had killed her. She remained in the hospital at Kilauea for quite a time and left it with her nerves shattered and her mind unbalanced, to be cared for by friends.

Death came rather unexpectedly.

The fiends who made the murderous attack on Mrs. Wada, killed her husband, thought they had killed her children and burned their home were hanged in Oahu prison at Honolulu four days before the death of the unfortunate woman.

Accident Board

A meeting of the Kauai Accident Board will be held in the county building, Lihue, at 3 o'clock tomorrow afternoon at which a large number of matters will be disposed of.

The first event proved to be the most exciting. G. T. Greig and Arthur Banham were lined up against E. D. Murdoch and "Tommy" Thompson. The former team failed to find its sea legs at all, during the first set, being beaten 6-2. During the second set, however, Greig and Banham braced up, forcing a bunch of protracted deuce games in which the scores

DR. MAGNUS TALKS TO LOCAL GERMANS

Seventy-four out of 90 members of the new German-American Alliance turned out at the Lihue Kegel Club's headquarters Thursday evening to listen to the address of Dr. Magnus, of San Francisco, on the purposes of the organization. Dr. Magnus, himself a German-American, is interested in important educational work in California. He spoke in German.

Dr. Magnus began by reciting the history of German immigration to the United States and the important part Germans have taken in building up and sustaining American institutions and ideals. He also referred to good points in the system of Germany and stated that one object of the German-American Alliance was to introduce in America plans that had been tried out in Germany and had proved successful.

In conclusion he spoke strongly in favor of the National Guard and urged the Germans of Kauai to take an interest in that matter here and help build up a strong citizen soldiery.

Remarks bearing upon the same subjects from the local standpoint were made by Rev. Hans Isenberg and Hon. Paul Isenberg, and were listened to with much interest.

The meeting as a whole was much enjoyed by all present and proved an immense "booster" for the embryonic Alliance.
